Xulon Press. Paperback. Book Condition: New. Paperback. 276 pages. Dimensions: 8.4in. x 5.5in. x 0.8in. Inside this book is a wide range of knowledge, some from the news of our day, some from the prophecies of Gods Word. This book covers the gamut of time and space, the Creation, the nature of man-kind, what is happening in the world, and eternity future. It is a book of encouragement, hope, and the reality of the consequences of national and personal sin. Filled with relevant scripture, it will challenge the way one views life. As one always looking to the fulfillment of scripture, I have diligently sought the Truth of God, for the purpose of sharing the Truth of God. In this book, discussed are such subjects as the rapture, the tribulation, America as found in Obadiah, Isaiah, Jeremiah etc. , the origin of the Jewish people and their destiny, the fall of America and the world, conspiracy theories, the Jewish feasts, various signs in the heavens, the future of Israel, the coming financial crisis, and 911 as found in scripture. In addition, the importance of Biblical numbers and codes are revealed. I have always felt that any complete survival book collection should include the Bible, the Boy Scout handbook, and a good hymnal. This book, I would humbly add as a forth resource. Knowledge can be gleaned from reading a single chapter or reading the book cover to cover. This book is a perspective you have probably not contemplated, and contains a variety of resources that will bless the reader. Pictures, hymns, survival lists and suggestions, and a wealth of Bible knowledge are here. You will better come to understand that the Lord does hold the various galaxies in His hands, as pictured on this back cover. The author is a resident...
