Instead, it was determined to prepare a book which should set forth in permanent form, for those interested, the salient features of the history and present status of the University. Out of this determination arose the present volume. In the first of the three parts into which the book is divided, are set forth the chief facts in the external history of the institution, - its incorporation in the fourth year after the admission of Indiana as a State into the Union, and the steps by which it passed successively from a Seminary to a College, from a College to a University in name, and ultimately to a University in fact. In the second part the attempt has been made to trace the development of the course of instruction, from the condition presented in the first catalogue in 1831, to the curriculum as at present arranged. This development, it is believed, is typical especially for Western State Universities; and it is hoped that the careful study which is here presented, may prove a real contribution to the history of education in America. The third part of the book is given up to a list of publications by the Faculty, alumni, and students of the University. One test - though by no means the sole one - of the efficiency of a...
