DR. HENRY R. PORTER - THE SURGEON WHO SURVIVED LITTLE BIGHORN

McFarland Publishing. Book Condition: BRAND NEW. BRAND NEW Laminated Full-Sized Softcover - 221pp - Index - Biblio - Notes - Photos - "Custer came to me and said: Porter, there is a large camp of Indians ahead, and we are going to have a great killing." The words of army contract surgeon Henry R. Porter are chilling today in their matter-of-fact reference to the battle to come--a battle of which Porter would be one of the few white survivors. Drawing on his writings, this biography tells the story of Porters transformation from young easterner to ambitious frontier settler and medical practitioner in mid-19th century America. In its details of frontier life, of the infamous Battle of Little Bighorn, and of Porters later travels around the world (which ended with his death in Agra, India), the reader finds richness that brings history vividly to life. Appendices contain a list of items from the North Dakota Historical Societys Henry R. Porter collection and a detailed Porter lineage. A Brand New Quality Book from a Full-Time Bookshop in business since 1992!.
