Bringing up Baby-The First Year Under a Thousand Dollars shows how a new mother with virtually no extra resources can supply her newborn with everything needed in the first year for less than a thousand dollars extra. If you have a roof over your head, have enough to pay your bills, and can put food on the table for yourself, you can raise a child for the first year of their life for less than 84 dollars a month. I made this book for all of my friends about to hit their thirties that swear they cant afford to have children. Yes you can. This book covers food, diapers, clothes, hygiene items, furniture, medical, child care, toys, and more. Everything has been calculated in 2014 dollars using prices from the internet. There are many resources on where to find free prenatal help, free vaccines for children, possibly feeding your baby for free, help finding free child care and so many more resources. This book will save you the money you spent to buy it and then some, if you employ the advise contained within for the first year. This item ships from La Vergne, TN. Paperback.
