Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1890 Excerpt: . . . over a lamp, and immediately the marks scored will take on a more or less distinct brown color if sugar be present. Normal urine does not cause any change it marked on the paper in the way described, and it is a useful way of confirming the proof, to test a sample of urine known to be free from sugar at the same time as a counter test. --Canada Practitioner. Applying The Proper Remedy. --At a temperance meeting on one occasion an expert, wishing to illustrate the destructive action of alcohol, magnified a quantity of water and exhibited the organisms frisking and swimming about therein. While the beholders gazed spell-bound at the dreadful creatures, Whose shape would make them, had they strength and size. Mora hideous foe than fancy can devise. The lecturer, announcing that he would now proceed to show the effect of a drop...
