Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The animals of our planet are wonderful and often mysterious creatures. Many have characteristics and qualities much like humans, although on a different level. For example, they have likes and dislikes, they eat certain foods, and they have natural instincts that help them survive. But perhaps most importantly, they must learn how to live and thrive on this planet just as we do. Best selling author Mary Ann Rogers examines some of these extraordinary creatures in a wonderful educational book that children will enjoy again and again. Inside this book you ll find amazing facts and vibrant pictures centered around animals that live in the sky. This information will take children on an incredible learning journey that will help them discover birds while having fun! This book highlights unique characteristics about each animal. Your child will learn: \* How many times a hummingbird can flap its wings \* Why crows are compared to humans \* Why the Peregrine Falcon is considered the fastest animal on the planet \* How well an Osprey can see . and...
