## BORN ROUND: A STORY OF FAMILY, FOOD AND A FEROCIOUS APPETITE

Penguin Books. Paperback / softback. Book Condition: new. BRAND NEW, Born Round: A Story of Family, Food and a Ferocious Appetite, Frank Bruni, "The New York Times" restaurant critic's heartbreaking and hilarious account of how he learned to love food just enough after decades of struggling with his outsize appetite. Frank Bruni was born round. Round as in stout, chubby, and hungry, always and endlessly hungry. He grew up in a big, loud Italian family in White Plains, New York, where meals were epic, outsize affairs. At those meals, he demonstrated one of his foremost qualifications for his future career: an epic, outsize love of food. But Bruni's relationship with eating was tricky, and his difficulties with managing it began early. When Bruni was named the restaurant critic for "The New York Times" in 2004, he knew enough to be nervous. The restaurant critic at the Times performs one of the most closely watched tasks in the epicurean universe; a bumpy ride was certain, especially for someone who had never written about food, someone who for years had been busy writing about politics, presidential campaigns, and the pope. What qualified him to be one of the most loved and hated tastemakers in the New York food world? Did his decades-long obsession with food suffice? Food was his friend and enemy both, something he craved but feared, and his new-job jitters focused primarily on whether he'd finally made some sense of that relationship. In this coveted job, he'd face down his enemy at meal after indulgent meal. As his grandmother often put it, "Born round, you don't die square." Would he fall back into his old habits or could he establish a truce with the food on his plate? "Born Round" traces the highly unusual path Bruni traveled to become a...
