Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Everett Stanton)

THE ILLUMINATIONS (MAIN)

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, The Illuminations (Main), Andrew O'Hagan, How much do we keep from the people we love? Why is the truth so often buried in secrets? Can we learn from the past or must we forget it? Standing one evening at the window of her house by the sea, Anne Quirk sees a rabbit disappearing in the snow. Nobody remembers her now, but this elderly woman was in her youth a pioneer of British documentary photography. Her beloved grandson, Luke, now a captain with the Royal Western Fusiliers, is on a tour of duty in Afghanistan, part of a convoy taking equipment to the electricity plant at Kajaki. Only when Luke returns home to Scotland does Anne's secret story begin to emerge, along with his, and they set out for an old guest house in Blackpool where she once kept a room.
