

The Story of Nuremberg (Paperback)

Filesize: 4.1 MB

Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Isaac Olson)

THE STORY OF NUREMBERG (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book looks at the history of the German city of Nuremberg up until the early 20th century. Of course, Nuremberg would take on a vastly different reputation and source of importance years later after the trials for World War II war criminals were held there From the preface: I AM painfully aware of the defects of this little book, and still more painfully unaware of its errors. The best excuse for the mistakes that have surely crept in is the vast scope and variety of my subject-the story of the old mediaeval town which was for long the centre of German industry and thought. But, for a guide-book, accuracy is above all things desirable, and I shall therefore be deeply grateful to the courtesy of any of my readers, who, having discovered any error or omission, will kindly point it out to me. The sources from which I have drawn are far too numerous to acknowledge in detail. But in the matter of topography and architecture a more express note of indebtedness is due to the devoted labours of R. von Rettberg, A. von Essenwein, and Ernst Mummenhoff. Above all, I must pay my tribute of gratitude and acknowledgment to the enthusiastic erudition of Dr Emil Reicke, [1] whose mighty volume, *Geschichte der Reichsstadt Nurnberg*, is a mine of information from which I have freely quarried. Lastly, to those old chroniclers at whom I have sometimes laughed, but whose quaint phrases and legends may have saved these pages from too serious a dullness, I now hasten to make amends and to assure them that I am very conscious of my own inferiority as a storyteller. The object...
